Help With...

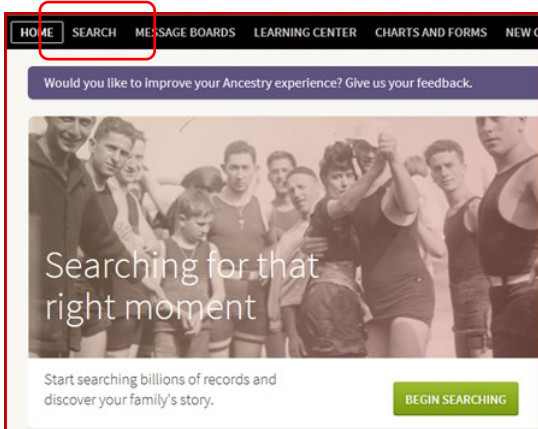

This guide will introduce you to Ancestry and show you how to carry out a basic search. Ancestry is an online resources aimed at family history researchers. It is available in your local library using the computers or on a mobile device.

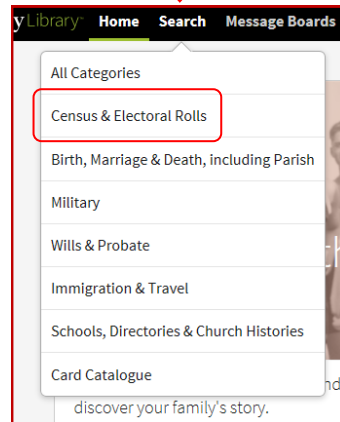

1. Log onto one of the library computers. When the tiles appear, scroll down and click on the **Ancestry** tile.

2. To start, click the **Search** tab as shown below.

3. The best place to start is often the census. Make sure you select the **U.K. Census Collection** under **Narrow by Category**. You can either search all the UK censuses or select a specific year.

4. Enter the details of the person you are looking for. The less information you enter, the more results you will get.

Search Match all terms exactly

First & Middle Name(s) Last Name

Birth Day Month Year Location e.g. London, England

Death Day Month Year Location e.g. London, England

Lived In Day Month Year Location e.g. London, England

5. Shown below are the results of a typical search. The closest matches are listed first. Be aware that names are sometimes misspelled, particularly where there is more than one way to spell the name. To make sure that you have the right person, view the full entry by selecting the census heading as shown below.
