Help With...

West Sussex Libraries App

This guide is a brief tour of the main features of the West Sussex Libraries app which is free and can be used on Apple and Android phones or tablets. A version for Windows devices is also planned.

To download the free app go to your app store and search for **West Sussex Libraries**. Once you have downloaded the app to your phone or tablet, tap to open and you will see the screen shown on the left.

The first time you use the app you will need to login. Tap **Login** and enter your library card number and PIN. Your library card number is the long number on the back of your library card. Please ask a member of staff for your PIN if you don't know it. You will need to show ID.

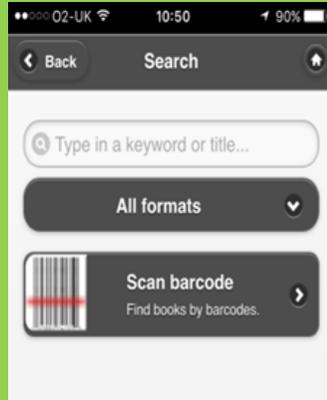

Search our catalogue

Tap **Search our catalogue** to view the search box (shown below). You can use keyword or title search to look for items.

The **All formats** menu allows you to choose between standard or Large Print books, CD/DVD, audio books etc.

Scan barcode can be used in a bookshop or supermarket; simply tap this option then point your smart phone or tablet so that the red line is across the barcode of any book to discover if it's in West Sussex stock. If it is then you can reserve it!

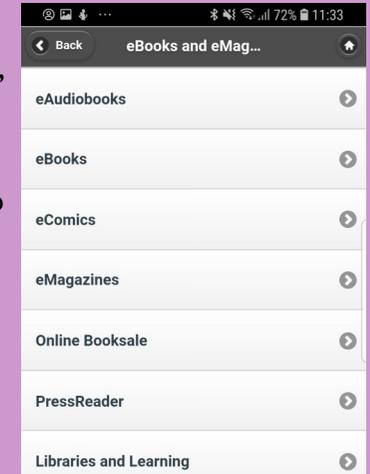

My account

Use **My account** to renew your on loan items, check reservations and view any outstanding charges.

eLibrary

Use the eLibrary menu to browse and download eBooks, eAudio and eMagazines. First make sure that your smart phone or tablet is set up to do this.

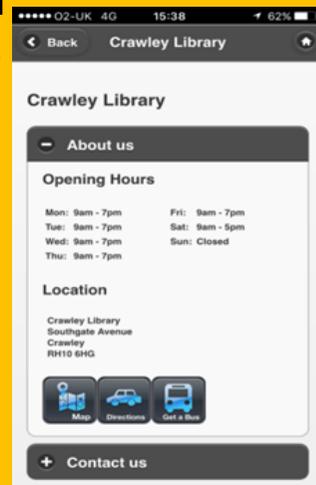

Find a library

Choose **Find a library** and, if you have GPS tracking enabled on your device, you will see a list of the libraries nearest to where you are.

If you don't have GPS enabled it will display the West Sussex libraries in alphabetical order.

The information for each library includes opening hours, phone numbers, email addresses and directions. You can use GPS to plot a route to the library. You can also check which buses run there.

You can use this link to access many of the online resources provided by the library. These include : *Britannica*, *Newsstand*, *Oxford Dictionary of National Biography* and *Who's Who*.
