Transport and Travel

Many areas in West Sussex are covered by the rail network and local bus routes. If you can, please support guests with practical information such as the location of the closest railway station and bus routes.

Bus Travel

If guests have an urgent need for a fully funded 3 month bus pass to assist in getting to school, work or local amenities, please email West Sussex Community Hub communities@westsussex.gov.uk with the subject line 'Free Bus Travel', giving the full names of those who require a bus pass, the address in the UK and bus company required. (Please note, by sending the email, you are consenting that you are happy for the Community Hub to pass details to the bus company where necessary).
